Kate - this is part of today's agenda. An extension until June 1 to review and provide comments has been secured. I understand that Jeanne passed this on to Ayn yesterday. There was a mistake made in coordination that wasn't corrected until yesterday.

Subject: URGENT re: GAO and Fracking at 1:00pm TODAY (the second meeting on Fracking today)

SENSITIVE Document ... DO NOT DISSEMINATE

We just received this document. It is the close out document from the GAO review of GAO Job Code 361350 Energy Resources and Risks Associated with Hydraulic Fracturing,

Please review it immediately and send me any comments/concerns BY COB today. We would like to have a single voice from ORD, and the regions, and to brief the 3rd floor before we respond to GAO.

I'm very sorry for the short turnaround. I just learned 5 minutes ago that the exit conference is currently scheduled for today scheduled for May 22, 2012, 1:00-2:00 pm. (ORD had not been informed about the meeting) We are trying to get a reasonable extension.

Thanks!

Jeanne
